Re: United States of America v. Allen Julier  
Case No. 07-Cr-1182 (KMK)

Honorable Sir:

As you know, I represent defendant in the above matter. Pursuant to Your Honor's instructions at the Sentencing hearing held on May 2, 2008, I have redacted the medical information from the Sentencing Memorandum and I am submitting a redacted version herewith. These redactions were made after consultation and agreement with AUSA Anna M. Skotko.

The original Sentencing Memorandum was filed electronically (without Exhibits "B" and "C"). I will file the redacted Sentencing Memorandum electronically as well once the redactions are approved. At that time, I request that your clerk contact the appropriate personnel involved in the electronic case filing and direct the withdrawal of the original (unredacted) Sentencing Memorandum. I do not believe they will do it simply upon my request.

Respectfully yours,

  
VICTOR G. GROSSMAN

copy of defendant's sentence memorandum.

to withdraw the original, unredacted version  
of this memorandum.
